

DS-MH1490

Lithium battery charger

Feature

- Portable PTZ dome battery charger
- Easy to carry

Application

Design for charging portable PTZ dome battery

Model

DS-MH1490

Image

Datasheet

Model	DS-MH1490
	Lithium battery charger
Power supply	DC 12V
Charging current	3A
Charging time	6h
Working temperature	0~45°C
Working humidity	0~90%

Indicator Status

Indicator	Status	Mode
PWR	Solid green	Power normal
RDY	Solid red	Battery charging in process
	Solid green	Battery full charged
