# ATRS0002 DRY CONTACTS

## FUNCTION

Dry Contact | 0-1 status

## Report 0-1 statuses and control relays.

ACT

- Activate or restart machines and equipment items remotely

ALERT

- Provide feedback about faults, level alerts
- Detect an intruder's presence, or detect an action
- Control access and break-ins

MONITOR

- Count the number of changes in status

## BENEFITS

- 4 configurable inputs/outputs
- Locally and remotely configurable
- Low power consumption for optimal autonomy
- Develop new preventive maintenance services, alerts services, or analysis services.
